MAKING MANIFESTO

for the Art Room

When you are in the art room, remember:

- It is OK to explore your own ideas.
- It is OK to try new methods and techniques.
- It is OK if your ideas do not work.
- It is OK to be inspired by other artists.
- It is OK to feel unsure while you're creating.
- It is OK to feel stuck.
- It is OK to ask for help!
- It is OK to make something that looks different than anyone else.

I am proud of my ability to make art, and I will try my best every time I come to the art room!
