

Master of Arts in Art Education

Recommended Timeline: 2 Years

This timeline is created for students who elect to complete their degree at AOEU's recommended pace with no courses to transfer in. The degree consists of 21 core credits and 15 elective credits. **If you follow this timeline, you can complete the program and graduate in 24 months.**

**Please allow one month between Mission of Teaching and Capstone Research to account for grade processing. This is a sample timeline. It is the student's responsibility to track course run dates and to register for courses on time. The Art of Education does not guarantee that every course will run every month.*

Master of Arts in Art Education

Relaxed Timeline: 4 Years

This timeline is designed for students who elect to complete their degree at a slower pace. The Art of Education University's suggested timeline is two years; however, AOEU understands your need for a personalized degree timeline. The degree consists of 21 core credits and 15 elective credits. **If you follow this timeline, you can complete your coursework at a relaxed pace and graduate at the end of the fourth year.**

**This is a sample timeline. It is the student's responsibility to track course run dates and to register for courses on time. The Art of Education does not guarantee that every course will run every month.*

Master of Arts in Art Education

Earn Your Master's in the Summer: 4 Years

This timeline is created for students who elect to complete their degree during the summer months. The degree consists of 21 core credits and 15 elective credits. **If you follow this timeline, you can complete all of your coursework during the summer months and graduate after the fourth summer session.**

**This is a sample timeline. It is the student's responsibility to track course run dates and to register for courses on time. The Art of Education does not guarantee that every course will run every month.*

Master of Arts in Art Education

Accelerated Timeline: 18 Months

This timeline is created for students who elect to complete their degree at an accelerated pace from start to finish with no courses to transfer in. The secret to this expedited plan is to enroll in your first course at the same time your application is processing. The degree consists of 21 core credits and 15 elective credits. **If you follow this timeline, you can complete the program and graduate in 18 months.**

**Please allow one month between Mission of Teaching and Capstone Research to account for grade processing. This is a sample timeline. It is the student's responsibility to track course run dates and to register for courses on time. The Art of Education does not guarantee that every course will run every month.*
