

9 Questions to Ask Yourself Before Requesting Tuition Reimbursement

- 1 Why is this course or degree the best choice for me?
- 2 How does this course or degree connect to my school's goals?
- 3 What personal goals will this coursework help me reach?
- 4 How will I implement what I learn in my classroom?
- 5 How will I show the coursework has a positive impact on my students?
- 6 How does this coursework compare to other options, and why is it the best choice for me?
- 7 How does the coursework align with the district's long-term vision and strategic planning?
- 8 When the course is complete, how will I showcase what I've learned?
- 9 Who else in the district might benefit from what I learn, and how will I share what I learn with my colleagues?
